## An Overview

SKS Group Co. W.L.L. is a corporate entity, rendering engineering, procurement & construction, industrial maintenance, specized services and trading activities for Oil & Gas and Power sector in . Over the years the company has grown as a dependable EPC building its assets base, including skilled human resources. SKS Group is accredited with ISO 9001:2000 QQuality management.

SKS Group was established by Mr. S K Shamsudeen, Founder & Managing Director as proprietary company in 1980. Since the beginning, SKS Group has been in the fore-front, providing turnkey engineering, procurement and construction of electromechanical works for Oil & Gas and other Industrial sectors. Some of SKS Group's major customers are –

Kuwait Oil	KOC
Kuwait National Petroleum	KNPC
Petrochemical Industries	PIC
EQUATE Petrochemical	EQUATE
Kuwait Gulf Oil	KGOC
Ministry of Energy	MEW / MOE
Ministry of Defense	MOD

SKS Group offers a wide range of construction services from concept to commissioning. With a flexible and adaptive approach, the company is able to provide total solution to their clients.

## Specialized Activities/ Operations

Providing Turnkey contracting services to Owners, Government, Ministry and many other international EPC contractors & private sector in Project Engineering, Construction Maintenance of Refinery units, petrochemical plants, Power Plants, Distillation units etc including refurbishment, repair, revamp of rotary, static equipment, valves, Manpower on secondmend,etc.,

### Engineering & Construction

Civil & Structural :Design, Engineering and construction of buildings, Excavations, foundations, tank dykes, pre-cast concrete, geographical surveys, consultancy and all type of civil works  
Mechanical, Piping & Tank Construction :Piping fabrication and erection structural fabrication & erection, Equipment vessels & tank fabrication, heavy lifts, Critical Rigging and Equipments erection, piping installation, start-up assistance and commissioning  
Electrical & Instrumentation: Installation of substation transformers and cabling, installation, calibration and commissioning of DCS, analogue and pneumatic process instrumentation.

### Maintenance

Civil Maintenance: Maintenance of Tank Farm, Roads, and Foundations.  
Mechanical Maintenance :Piping refurbishment, repair, revamp of rotary, static equipment, valves etc.,  
Electrical & Instrumentation Maintenance :Maintenance services of power distribution, Cabling, HT Transformers, HT&LT motors actuators, Switch gear motor control centers etc.,

## Specialized & Support Services Scaffolding and Access Systems:

Consultancy, installation, rental and removal in accordance with BS 1136 for materials and BS 5973 for erected systems of all types of access scaffolding. Hiring of equipments and / or skilled scaffolders.

## Insulation, Refractory and Fire Proofing:

Supply and application of Thermal (hot & cold) insulation to boilers, Turbines, piping, machinery, ducting etc., Refractory, Fire retarding and fire proofing barriers, Acoustic insulation.

## Blasting & Painting:

Painting System Design based on process temperature, Surface preparation by Automatic steel Shop blasting, manual grit blasting and /or power brushing and needle gunning, paint or coating application using air sprays, airless spray, brush or roller application.

## Procurement and Trading:

Activities to serve the Oil and Power sector – extensive pipe fittings, valves MOV, HVL & armored Electrical Cables etc,

## CERTIFICATE

EUROCERT certifies that the company:

**SKS GROUP CO. WLL**  
 P.O. Box 46122, Fahaheel, 64012, KUWAIT

Implements management system that conforms to the requirements of the standard

**EN ISO 9001:2008**

for the following scope:

**ENGINEERING, PROCUREMENT AND CONSTRUCTION OF ELECTROMECHANICAL AND CIVIL WORKS FOR OIL, GAS AND INDUSTRIAL SECTOR.**

Certificate Number: **103KWQS**

Issue Date: 24/05/2012  
 Current Certification Date: 01/08/2014  
 This Certificate is valid till: 23/05/2015

For the Certification Body,  
  
**GEORGE N. SIFONIOS**  
 Director of Development

The validity of this certificate is subject to annual surveillance.  
 Please check the validity of the certificate from our website using the password below: g551778  
 Lack of fulfillment of the conditions set out in the contract for ISO 9001 may render this certificate invalid.
